DR. ALISON VILLANUEVA
 Interim Principal, Scotland Elementary School

Dear Scotland Families and Community,

December 14, 2018

It is with a joyful heart and great honor to become a member of the Scotland community as interim Principal of SES. I am so proud to be joining a school with such outstanding achievements and a vibrant future. It is clear that SES is a school to be celebrated for its excellence and achievements.

With sound leadership and a clear vision, my goal is to collaboratively maintain a safe and welcoming school environment dedicated to an inclusive world-class education for each and every student at SES. We will work together to continue the legacy of distinction and commitment to our students by ensuring high quality teaching and learning that is engaging, relevant and personalized. My experience in education and schools across the globe has given me many perspectives on what it means to provide an exemplary education for all and it is with much happiness to be part of an elementary focused faculty once again.

The entire SES family of teachers, parents, support staff, and administration all have a major role in motivating and encouraging each of our students to become independent and proactive learners. I am confident we will inspire, challenge, and prepare students to continue to achieve academically and grow into the kind and wonderful citizens they have already started to become.

I am eager to meet all of you and encourage you to please stop by the school to say hello. Here are a few options.

Lets Meet in Person:

Below are times I have reserved especially for the SES community to come by and meet me in person. We will meet in the cafeteria.
