COMPLETE IT YOUR WAY!

ON YOUR OWN TIME!

The beauty of a virtual 5k is you can complete the event on your own time at a location of your choice!

RUN

Challenge yourself! Set the course and a completion time, then CRUSH IT! READY. SET. GO!

WALK

Not a runner, that's perfectly ok! Set the course, grab your dog and get walking!

HIKE

Fan of the outdoors but more of in a woodsy kinda way? Put on bug spray and grab those hiking boots, you too are included!

BREAK IT UP

Not up to the 3.2 miles all at one time? That's ok - break it up over the course of a couple of days to make it an achievable goal!
