1. Thank you for your patience as we work through the first few days of online learning. We know that there are some families that are still experiencing issues with CANVAS or apps. Please contact the MCCSC Help Desk at 812-349-4758 for initial troubleshooting. We are currently working on a plan for us to push out some support to our families in need as well as we have found that walking families through the process ourselves has been beneficial. If you continue to experience problems with tech, let your teacher know and let us know as well. We will do all we can to help.
2. University School is engaging in a school-wide International Baccalaureate unit of study to kick the year off. Look for a separate email about "Living Through History."
3. Our first PTO Meeting of the year will take place tomorrow evening, Tuesday, beginning at 6:00 PM. An invitation went out earlier today with a PDF which contained the scheduled. The Zoom link will open at 5:30 for families to gather for some social time prior to the meeting.
4. Our PTO is taking orders for UES shirts online until the end of the month. [You can place your order using this link.](#)
5. We use Facebook and Twitter, along with email and automated phone calls, to communicate with families. Facebook and Twitter have been a bit light over the summer, but now that we are back in school, Mr. Hopkins is looking to step things back up! You can find our contact information in the logos below.
