

## Costume Parade on 10-31-22

The Batterman Costume Parade is on October 31<sup>st</sup>, at 2:00pm. Parents are invited to view students strut their spooky stuff on the main playground blacktop. Students are not to wear their costumes to school. Costumes must be easy enough for students to put on and take off by themselves. Students will be allowed to put on their costume before the parade. No fake weapons and bus students are required to remove their costume before riding the bus.

## PEANUT POLICY

In order to ensure the safety of students with potentially life-threatening food allergies, the following procedure will be enforced by all teachers to prevent possible allergic reactions.

- Only snacks/food items which are store bought, packaged, and **labeled** with **No Nuts** and/or **Nut Free Factory** may be consumed in the classroom.

Parents, please be cautious when choosing a celebration snack. Any food item to be shared in the classroom must be a safe snack item (*see website below*) or have on the label **NO NUTS** and/or **PRODUCED IN NUT FREE FACTORY**. Any food items that do not meet this criteria will not be consumed in the classroom.

Please see <http://snacksafely.com/safe-snack-guide/> for Celebration Snack Ideas.
