A Special Message for the Parents and Faculty of the Washington Township Schools *Topic: 2018-2019 School Calendar*

The Board of Education's *Education Committee* is in the process of crafting the school calendar for the 2018-2019 school year. In light of the fact that the West Morris Regional High School District has adopted its calendar for next school year with a start date of August 27th, the Board's committee thought it would be prudent to gather input from key stakeholders as part of the calendar-setting process. A survey, planned for distribution next Wednesday, will be the primary mechanism for gathering input/information from parents and faculty. In addition, thoughts can be shared directly with the Board via its designated email box at boe@wtschools.org. For those of you who prefer to share your perspectives as part of the Board's next scheduled meeting (December 5, 2017; 7:30 pm; Long Valley Middle School) you are always welcome to attend as all meetings conclude with a "Public Comment" segment. The Board looks forward to receiving your input as part of the 2018-2019 school calendar-setting process.
