

# YES!

TO CENSUS 2020

#COUNTGALVESTON

## YES TO OUR KIDS. YES TO SCHOOL GRANTS. YES TO THEIR FUTURE.

Every 10 years, the census counts how many people are in our community to decide how much federal funding and representation our communities should receive.

This money supports everything from school lunches to special education to Head Start to over 130 other programs that could help your students right now. Your responses to the census are important, and they cannot be shared with anyone. In fact, they're even protected by law from other branches of government.

After the 2010 census, we missed out on over \$10,000\* per person not listed on the census. Everyone should fill out Census 2020 so we don't lose millions of dollars in the next 10 years!

Let's say no to undercounting in our communities and #YESstotheCensus.

### YES, IT'S EASY!

It only takes about 10 minutes per person.

### YES, IT'S SECURE!

The census cannot share your info with anyone else, even other government agencies. It's the law!

### YES, IT'S ABOUT REPRESENTING ALL OF US!

The more people we count, the more seats our state gets in the House of Representatives.

### YES, IT'S ABOUT HELPING OUR COMMUNITIES!

Everyone should fill out the census so we don't lose millions of dollars in the next 10 years. After the 2010 census, our city and communities missed out on over \$10,000\* per person not counted.

### YES, IT'S FOR EVERYONE!

Anyone living in the U.S. should be counted, because every single person has the right to these resources.

The census can be filled out by mail, by phone or online. The census is only 9 responses and takes 10 minutes per person to complete.
