11. 2022-2023 MCCSC Calendar
12. February Breakfast/Lunch Menu

1. Registration is open for the 2023-2024 school year on the MCCSC website. We encourage families to register early so we have an idea of what our enrollment will look like for next year, especially for incoming kindergarten students. There will be a block of days following Spring Break that our kindergarten teachers will schedule a time for incoming students to participate in a few activities to help with classroom placements and to give students a chance to experience what life is like at University. More information to come.
2. Monday, February 20th is Presidents Day. There will be no school on this date. School will resume on Tuesday, February 21st.
3. It is important that students are in attendance for the full school day. We know that some emergencies come up, but we ask that you do your best to schedule appointments and personal plans outside of school hours. Our school day runs from 9:30-4:15. If you must make changes to your end of the day plans, please contact the school office by 2:00 so we can prepare your child's teacher for this change.
4. The Spring NWEA Window will open on February 21st for students in grades 4-6. Please look for communication from your child's teacher about specific testing

dates/times. This is the third and final NWEA assessment for the year to measure growth in ELA and Math. Reports will be sent home with the 3rd grading period report card.

5. The Monroe County Public Library is offering students of all ages free tutoring assistance via their subscription to **Brainfuse**:
<https://mcpl.info/resources/brainfuse-helpnow> Live tutoring sessions are available daily 2–11 PM EST. Brainfuse includes a suite of useful resources available anytime including practice tests for all levels in math, reading, and writing as well as college preparatory tests, including the SAT. It also includes chess tutoring / skill building services and live FAFSA Help!
<https://www.brainfuse.com/highed/fs.asp>
6. Join families across MCCSC for the next two Parent University events on February 21st (Cyber and Internet Safety) and March 9th (Youth Substance Use Prevention and Resources). These are totally free and promise to be a wealth of information as you connect with members of the community. Register at www.mccsc.edu/parentu . See the attached flyers for additional information.
7. The PTO is bringing back the Family Fitness Night, which has always been a favorite among our students and families, on Friday, March 3rd from 6:00-7:30. Details to follow.
8. Join us for our sixth annual MCCSC's Girls in Engineering, Math, and Science (GEMS) conference on Saturday, March 25, 2023 from 8:00-Noon at BHSN. This is an inclusive event where all 5th and 6th grade students. To register your child for GEMS, please follow this link: <https://forms.gle/R3SGBfEd88Jgh7bW8>
9. If you don't have the Box Tops app yet, download it! It's surprisingly easy to submit receipts and earn credit for our school. Our PTO Pres. was skeptical but she downloaded the app, signed up, and uploaded a few Kroger digital receipts (from the app) in about 5 minutes. Easy!
<https://www.boxtops4education.com/s/>
10. Link your Kroger card to our UES PTO to earn dollars for our school. Even if you think you've linked your card, double check! Many PTO members logged in recently and found their cards had "unlinked" mysteriously. Re-link, or link for the first time, today! Search for University Elementary PTO or our organization number "YW259".

11. Please access the [2022-2023 MCCSC Calendar](#) for important district dates including breaks, end of reporting periods, and holidays.
12. Access the February lunch menu [here](#).

UNIVERSITY SCHOOL MISSION

We at University Elementary School work together to encourage our students to become inquiring,

reflective learners who value others in an inclusive community and around the world.

UNIVERSITY SCHOOL VISION

Preparing students for positive action in a Global Community.
