1. Please see the email that was sent out earlier today about the Gratitude Garden that the PTO will be putting together over the next two weeks. For every note of gratitude that is brought in for your child's teacher, a bulb will be planted in the newly formed "Gratitude Garden" near the playground. Let's write those notes and get a beautiful garden for our teachers to enjoy each spring!
2. If your child is a member of K-Kids, they will meet tomorrow after school. Please be at the north side of the building to pick your child up on time at 5:00.
3. If you signed your child up for Russian Club through IU, they will begin meeting this Friday after school. Pick up is at 5:00 on the north side of the building.
4. We have a limited amount of extra yearbooks from 2020-2021 for sale in the front office for \$15 each. These will be sold on a first come, first served basis. Cash or check (made out to University School) is accepted.
5. If you need to make changes to the end of the day dismissal for your child(ren), please contact the school office and your child's teacher prior to 2:30 PM.
6. Access the [2021-2022 MCCSC Calendar here](#).
