

University Elementary  
Monday Minute - September 14, 2020

1. Covid-19 Email Today
  2. Flu Clinic - October 8th (Paperwork due September 25th)
  3. UES PTO Meeting Tuesday @ 6:00
  4. Follow UES on Social Media!
- 
1. This morning, Mr. Hopkins sent everyone an email with a letter attached notifying families that there was a positive Covid-19 case at University School. If you did not check the email yet, please find the email to review. MCCSC sent an email on Friday to outline the notification process. When there is a Covid-19 case in a specific classroom, there is a second email that is sent to families **in that classroom**. A few families called the school today to inquire about the positive case. We are not able to provide this confidential information, but please know that if you did not get the second email, the case **did not** take place in your child's classroom. In addition, MCCSC contacts individual families as needed during the contact tracing process.
  2. MCCSC is partnering with IU Health once again this year to provide a flu clinic. University School will host this clinic on October 8th. Paperwork, which was emailed out on September 10th is due by September 25th. You can send the paperwork in with your child to be delivered to the health office. Hard copies should be coming home soon from the district. Online students will be able to get their shots as well. Please turn your paperwork in to the front office via the drop off table in the entryway. The health aide will collect it from you.
  3. Tomorrow night, Tuesday, at 6:00 PM, we will hold our September PTO meeting via Zoom. The agenda was sent out via email earlier today.
