Parent Portal

Set up your Parent Portal Account

If you do not already have a Parent Portal account, come to our Main Office and fill out the Parent Portal access form to get you pass code and instructions for setting up your account. Picture ID is required, and pass codes can not be given by phone or email

If you already have PUSD Parent Portal account for your student, there is no need to renew your account.

Complete “Data Confirmation” in Parent Portal

In Data Confirmation you will:

- Update family, contact & medical information
- Review online PUSD Parent/Student Handbook & Annual Forms
- Acknowledge review of school and District policies
- View documents on media release, information release, etc and indicate if you choose to opt out
- Print out any documents to be returned to school
