7. MCCSC Referendum Recording
8. Moving?
9. Transfer Renewals
10. Virtual Summer Camp - FREE!
11. Kindergarten Registration Now Open
12. PTO Meeting Tuesday @ 6:00 via Zoom

1. We will be holding a Field Day on the last day of school, Friday, May 20th for students in grades 1-6. Kindergarten is doing their own Field Day separate from what is happening in the back of the school, so please look for information from your child's kindergarten teacher. For 1-6, we have created a SignUp Genius for parents/guardians to volunteer to help. If you are interested in helping with set-up, running a station, or clean-up, [please access this link to let us know you can help](#). Please be sure to send sunscreen and a water bottle to school with your child on this date!
2. The last day of school for students is Friday, May 20th. Report cards will be mailed home the following week.
3. Thank you for an amazing Learning Festival this past Friday night. While I only have three Learning Festivals to draw from, personally, I was very impressed. I was told my many people that this was one of the most attended in recent memory! I told your children on the announcements this morning that what makes me most proud of them is that they demonstrated our lifelong guidelines of Do the Right Thing and Treat People Right on Friday. Kids were having a

great time and they were respectful of each other. It was great to see our community come back together for a social event like this. Thank you for making it such a special experience.

4. If you did not get to purchase a copy of the UES Cookbook during the Learning Festival, don't worry! You can purchase a copy in the main office for \$10. If you can't come in, that's fine - just send \$10 in with your child. These cookbooks are awesome and well worth the purchase.
5. 6th graders held their Virtual Exhibition this morning. Needless to say, they did an amazing job presenting their research from this year. If you would like to check out some of their projects tied to the UN Sustainability Goals, click on the link below.

<https://docs.google.com/document/d/1C8egivDylfuTV2F8xR4uEuVEYEU7klKQo3YIDvo5Wl/edit?usp=sharing>

6. There will be an elementary strings concert tonight at Bloomington High School North beginning at 7:00 in the auditorium. It should be a great evening of arts and entertainment!
7. Please visit <https://www.mccsc.edu/site/handlers/filedownload.ashx?moduleinstanceid=8429&dataid=15963&FileName=Community%20Meetings%20Letter%204.25.22.pdf> for information about the recent MCCSC referendum community events. You will find a recording of the presentation on this link. It is very important that we are all informed on this topic as it plays a major role in supporting our schools.
8. If you are moving out of the district, town, state, or country, please email your child's teacher as well as Ms. Stilwell at astilwel@mccsc.edu to let us know. This helps as we plan for class assignments for the next school year.
9. If you are on a transfer to University School this year, it is MCCSC policy that you submit a new transfer request for the 2022-2023 school year. Please note that your child must meet all the criteria outlined in the transfer request to remain a student at University School. [Inner School Transfer Request](#) [Out of District Transfer Request](#) Inner School Transfer Requests must start at your child's home school. Transfer requests are dependent on enrollment.

10. Virtual Summer Camp is an easy way for your child to stay sharp this summer from the comfort of your own home. This program is available to students currently in K through 8th grades. Your child can log on at any point throughout the week to complete these assignments or work on their personalized learning path in reading and/or math. For additional information, please visit

https://docs.google.com/document/d/1tPWZlpN_8TeNX8nMF_eWw0-DaS8aSje2aGxL4iQkQ_s/edit for additional information.

11. Kindergarten Registration is open to all students that will be five (5) years old by August 1, 2022. You will need a copy of your child's birth certificate, proof of

residency (ex. Electric bill), and immunization records. Please visit <https://www.mccsc.edu/kreg> for additional information. Our kindergarten assessment day will be on May 6th. Mrs. Stilwell is sending invites for this once families register for school.

12. Please see the email that was sent out earlier today from the PTO about the meeting that will take place tomorrow evening beginning at 6:00 PM via Zoom.

UNIVERSITY SCHOOL MISSION

We at University Elementary School work together to encourage our students to become inquiring, reflective learners who value others in an inclusive community and around the world.

UNIVERSITY SCHOOL VISION

Preparing students for positive action in a Global Community.
