Multiple Student Tip

If you have multiple students enrolled in FCPS1 Schools, you will need to select the student you wish to view first.

In this example Harper is gray that is who you will see information for in IC. If you want to see Madison or Peyton, you have to select them first from the home screen.

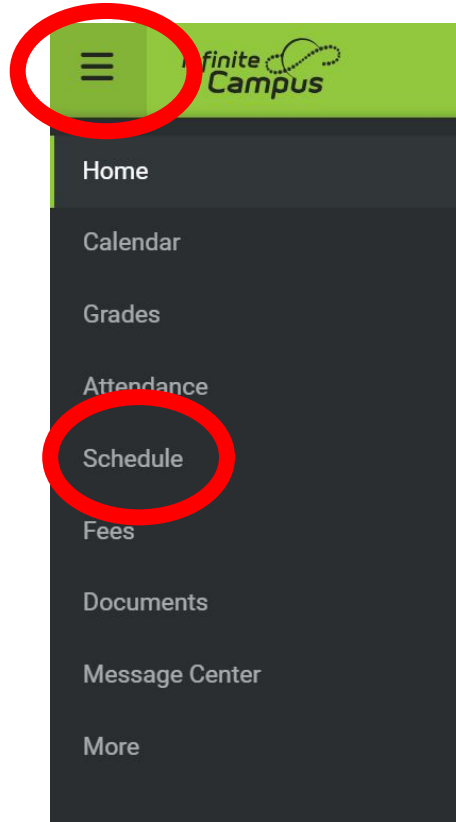

How to find your students Schedule:

From the home screen

Select Schedule from the drop down menu on the left hand side.

You will see your students current schedule.

How to find your students Google Login:

The image shows a two-part interface. On the left is a dark grey navigation sidebar with a green header containing a hamburger menu icon (circled in red) and the 'Infinite Campus' logo. The sidebar lists: Home, Calendar, Grades, Attendance, Schedule, Fees, Documents, Message Center, and More (circled in red). A red arrow points from the 'More' option to a central panel. This panel has a 'More' header and a list of options: Address Information, Assessments, Contact List, Demographics, Family Information, Important Dates, Lockers, Access Code Schoology, Emergency Contacts, **Student Account** (circled in red), and Online Registration. A red arrow points from the 'Student Account' option to a third panel on the right. This panel is titled 'Student Account' and contains two fields: 'Student Username' with a blacked-out input box, and 'Student Password' with a blacked-out input box.

Then select

Then you will see

How to find your students Schoology Login:

The diagram illustrates the steps to find a student's Schoology login through a mobile application:

- Step 1:** In the app's main menu, the **More** option is circled in red. A red arrow points to the next step with the text "Then Select".
- Step 2:** In the expanded 'More' menu, the **Access Code Schoology** option is circled in red. A red arrow points to the next step with the text "Then you will see".
- Step 3:** The 'Access Code Schoology' screen is displayed, showing the **Schoology Access Code** (redacted) and the **Schoology Code Update Date** (08/25/2022).

The background of the entire image is a white surface covered with numerous watercolor-style circles and splatters in various colors including yellow, orange, pink, red, purple, blue, and green. The circles vary in size and opacity, creating a vibrant, abstract pattern.
