5. Last week, Mr. Hopkins sent an email out as a reminder of our car rider procedures in the AM and PM. Thank you to all of the families that are following the procedures to help ensure organization and safety. It has been observed since the email that there are some cars that are skipping the City Church parking lot, resulting in them “cutting” in line. Please respect our process, and those that are waiting patiently, by getting in line at the City Church parking lot. If

there are no cars in the City Church, feel free to pull directly into the school.
Thanks for your cooperation and attention to safety measures.
