VOLUME 8, ISSUE 8

MAY, 2021

Looks like we made it!

Congratulations to our 5th grade LEADERS, Class of 2028, as they move on to the next phase of their educational journey. Your PES Family wishes you the very best in your next step to high school graduation!

PES Families— thank you all so much for your engaged participation with our end of year survey. We appreciate the time you took to answer the questions. We will use the results to make instructional and organizational

planning. We value your input.

SUMMER SLIDE:

Please keep your child engaged this summer by providing time and opportunities to keep academic skills sharp.

1. We encourage you to sign your child up at the Auburn Public Library for the summer reading challenge and for routine book check out.
2. When taking a trip, let your child use a real map to map out the distance, directions and figure gas costs based on mileage.

3. Math Fact Fluency is the skill most students lose during the summer months. 3rd, 4th and 5th grade Math rely on Fact Fluency. Please have your child practice math facts with flashcards, a deck of cards, calling them out orally when doing tasks around the house. This is very important and your work at home this summer could be a game changer for your child in August.
4. Check out the PES computer lab webpage for child friendly sites for academic practice.
5. **Monitor your child's screen time this summer!**

School Supply Kits are on sale NOW!

Go ahead and secure your child's supply kit for next year. Log onto the EPI website using the link below and put in our school code. Please remember to order your child's kit for the next grade level.

Our School ID is **PIC034**

ACS REGISTRATION 2021-2022 UPDATE:

Due to a new platform to be used by all schools in Alabama next year, 2021-2022, **ACS registration will take place starting on June 21, 2021.** All students will need to be registered and proper residency documentation will need to be uploaded timely in order for a student to be placed in a homeroom class in August. Your due diligence during our June registration is necessary this year especially, since registration is later than usual. Having correct enrollment #'s helps us properly staff our school.

Student classroom #'s are tied directly to staff allocation.

Please save the date:

Auburn Oil Bookstore will host a Pick Elementary benefit afternoon on 5/11 from 2:00pm-7:00pm. A percentage of all book sales will go directly back to PES! Please make plans to attend and get some books for summer reading!
