April 3, 2019

University Guardians of 3, 4, 5, 6 Students,

The state of Indiana requires students to administer the ILEARN Assessment. The window for this assessment runs from April 22nd - May 17th. While we will not be testing all of these days, this is the window the state provides for testing to be completed.

ILEARN will be a combination of "multiple choice" and "applied skills" where students will possibly "fill in the blank, click and drag, show your work, and explain your thinking." Students will also complete a writing prompt.

Attached you will find the schedule that we will follow for testing. On this schedule, please reference your child's grade and the different sections they will take each day.

It is important for your child to be at school each day, regardless of ILEARN. During testing, it is even more important for students to be at school on time in the morning since we will not be able to allow students to enter the classroom during the testings sessions. Students who arrive once the testing begins will wait in the office until testing is complete for the day. They will be placed in a make up window for testing.

Please ensure that your child get a good night's rest, eats a good breakfast, and dresses comfortably for testing each day.

If you have any questions about the ILEARN Assessment, please let your child's teacher or myself know. Your child's teacher will have additional information for you based on what is happening in the individual classroom.

Sincerely,

Glen Hopkins
Principal
