-
1. Please complete your student's 2020 online registration by clicking [here](#). You will need to login into Skyward using your username and password. Do not choose "new enrollment:" Choose "registration". This must be completed to be able to visit the health office and attend field trips. If you do not have access to a computer, there is one located in the University office for your use.
 2. On Friday, hard copies of Emergency Medical Forms were sent home with students that do not have these completed in Skyward. Please complete these and return them to school. This is part of the registration process mentioned in #1. If you have completed the registration process, you should be good to go for the year!
 3. We will have our first PTO Dine and Donate tomorrow night at Bucceto's. Buccetto's is a great place to pick up some pizza/pasta for dinner while supporting our children! Please present the attached flyer at either the eastside or westside location for our PTO to receive 20% of your bill. Share with your neighbors and friends!
 4. Please look for the September Newsletter which will be coming out in the next couple/few days.
 5. Take a few minutes to check out of [MCCSC Elementary Guide by visiting this link](#). There are multiple photos of University students throughout the guide!
