1. Indiana law requires all schools to conduct universal screening of students in grades K – 2 for characteristics of dyslexia. Dyslexia is an unexpected difficulty learning to read despite intelligence, motivation and appropriate instruction. The universal screening consists of very brief assessments that are being administered at each school. The screeners do not diagnose dyslexia.
2. We will hold our September PTO Meeting on Tuesday beginning at 6:00 PM. Please see the separate email that was sent out today with additional information.
3. If you would like to help with the STEM to Them Bus during the week of September 19th, please sign up here.

4. HOC is scheduled for Saturday, September 24th at 10:00 AM at Assembly Hall. You will need to register on the HOC website (fee included). Once you [register for HOC](#), please fill out this [Google Form](#) so Mr. Hopkins and Mrs. Dawson are aware of who plans to attend. There is a 5K (3 miles) walk/run, 1 mile kids run, as well as a 1 mile family fun run/walk. Information for students interested in joining an after school running club was sent home today. Only 5th and 6th grade students will be allowed to run the 5K with UES staff. Children younger

than this will need to be supervised by a parent/guardian. Students in grades 4-6 may walk the 5K with UES staff. Students younger than this will need to be supervised by a parent/guardian. The fine details will be shared with families that register for the event and share their information in the [Google Form](#).
