5. Flu Clinic - October 8th @ 9:30 AM
6. Exact Path OR NWEA Assessment (Grades 3-6)
7. Boxtops and Pizza X Tabs
8. Follow UES on Social Media!

1. Clean is the name of the game! We are doing our part throughout the day to clean our hands and wear our masks properly while at school. A great way for you to help at home is to make sure that your child is coming to school with a clean mask each day. If you need assistance with additional masks, please let your child's teacher know and we will work to accommodate your request.
2. It was approved at last week's board meeting that face masks with valves are no longer permitted inside MCCSC schools as the CDC reports that "valves with one-way holes or valves allow air to be exhaled through a hole in the material, which can result in expelled respiratory droplets that can reach others." Please make arrangements for your child to NOT wear these types of masks. [Additional information from the CDC may be found here.](#)
3. If you have not had the chance to complete the US Census, [please take a few minutes to do so using this link.](#) It is so important that everyone is counted in the census as this has a direct impact on funding for our schools (among other things). Please, if you have not done this already, or you have moved here recently, take time to fill out the link above.
4. If you have not registered to vote in the November 2020 Election, [please take a few moments using this link to register.](#) Registration online and in person closes October 5th. You can even check your status using this link!

5. The student flu clinic will be held on October 8th here at University School.
Thank you to everyone that turned their forms in to register. The clinic will take place in the gym. Online families will be able to pull up to Entrance 11 beginning at 9:30 where a staff member will escort the student to the gym to get their vaccine. No additional people are allowed in the school.
6. Grades 3-6 will begin taking Exact Path or NWEA this week. Please look for additional information from the school (separate email today) or from your child's teacher.
7. Did you know that our UES PTO collects points from BoxTops and we collect the tabs from Pizza X boxes! If you have any BoxTops or Pizza X boxes, cut them out and send them to school in a sandwich bag. They can be dropped off in the office for the PTO to pick up. BoxTops are worth 10 cents each (normally) and Pizza X tabs are worth 25 cents each!
