8. PTO Meeting April 9th

1. Mark your calendars for the annual UES Learning Festival on Friday, May 10th. PTO sent home a goldenrod paper last week with some information about this wonderful event. Additional information will come home as the PTO plans further.
2. Your child's teacher will be sending home a form, if they have not done so already, that we would like for you to complete letting us know what your plans are for the 2019-2020 school year. University sees a lot of movement thanks to our proximity to IU. Please complete this form and send it back to school ASAP so we can plan appropriately for next year when the time comes.
3. The ILEARN window opens on Monday, April 22nd. Additional information will be sent out prior to testing. Also, there will be an MCCSC Parent Talk on Wednesday, April 17th from 6:00-7:00 PM at the CoLab focusing on the new state assessments (ILEARN).
4. Our three middle schools will periodically forward information to the school to share with students. I am sharing this with the classroom teachers who will then share with their students and you as families. Please ask your children about this information a few times between now and the end of the year. Let me know if you have any questions.
5. 6th grade is going to Leonard Springs on Tuesday and 4th grade is going to Griffy Lake on Thursday.

6. Look for the April Newsletter in your email in the next few days. There will be a lot of information in it, including some important end of the year dates and ILEARN.
7. Kindergarten Registration open! Please ensure that you have the appropriate paperwork before coming to school. Learn more at www.mccsc.edu/kreg
8. Automated calls to families of absent students are going out at 11:00 AM each day. Please call our school as soon as possible each day to notify us of your child's absence. This can be done via our attendance line when you call in. 812-330-7753. We ask that you do this by 10:00 at the latest. Please reference Mr. Clampitt's "Announcements and Updates" email from 3/29/19 for additional details about this change.
9. We hope you can join us for the April PTO meeting on April 9th at 6:30 in the library. We will be discussing Learning Festival details and the event calendar for the 2019-2020 school year. As much feedback as possible will help make our events the best they can be! Coming and providing feedback does not obligate you to help make your ideas happen, but if you do want to get involved with future events at UES, this is the perfect opportunity. As usual, childcare will be provided for ages 4+. Contact PTO President, Hopi Stosberg, hopi@stosberg.com, if you have any questions. See you there!
