

Believe in Equity, Access, and Relationships for all Students

*Ms. Shawaan T. Robinson
Principal*

Dear Briggs Chaney Middle School Parents, Guardians and Students,

Happy New School Year! I hope this letter finds you safe, healthy and well. The Briggs Chaney Middle School staff is excited to welcome you all to a year of cultivating excellence fostered through positive relationships in a culturally inclusive learning environment.

We are committed to our partnership with parents and the Parent Teacher Student Association (PTSA). We want to encourage you to become actively engaged in our school through the PTSA, but, more importantly, to stay involved in your child's academics and social development during these critical middle years. We have several opportunities for parents and guardians to be engaged and informed.

Website: Visit our website at www.montgomeryschoolsmd.org/schools/briggschaneyms to stay informed with the latest information.

ParentVue: This is a tool that allows parents and students to connect directly with classroom teachers regarding assignments, grades and notices. **It is strongly recommended that all parents/guardians establish a ParentVue account.** In August, parents/guardians will receive a letter from Montgomery County Public Schools central office with instructions on creating accounts. Please visit <https://www.montgomeryschoolsmd.org/mymcps-classroom/> for more information. Additionally, feel free to connect with your child's counselor for assistance.

Twitter: Social media is not just for kids! Twitter is a great way to receive quick reminders about school events, hear of exciting classroom experiences and see pictures of key events. Follow me on Twitter at **@BriggsChaneyMS**.

Additionally, in an effort to be eco-friendly, communications will be delivered weekly through the **PAW Print** newsletter by email, and Connect-Ed voice messages.

Immunizations

If you have a student entering Grades 7 or 8 this year, they must be up-to-date with immunization requirements established by Maryland Department of Health and Mental Hygiene. Students must have meningococcal (MCV4) and tetanus, diphtheria, pertussis/whooping cough (Tdap) before the first day of school. Montgomery County is offering free vaccination clinics. Please go to our website for additional information.

Free and Reduced-Price Meals

Students may qualify for free or reduced-price meals based on household size and income. They may also qualify if they are receiving Food Supplement Program (FSP) or Temporary Cash Assistance (TCA) benefits. Families may apply for meal benefits by completing an Application for Free and Reduced-Price Meals for the current school year.

MARYLAND

Dear Middle School Parent:

Enclosed are route schedules for buses serving your child's school. Please note the appropriate time, location, and route number for your child. Students should be ready and waiting to board the bus five minutes prior to its scheduled arrival time. Route numbers are displayed on the side window of the bus. Students who live within 1.5 miles of the school are not eligible for transportation services if age-appropriate walking routes are available. Questions should be referred to the transportation cluster manager who is responsible for your school. Your school or the Montgomery County Public Schools (MCPS) website can provide you with contact information for your transportation cluster manager.

Bus stops previously scheduled may have been eliminated or relocated to provide economies in operation. Every effort is made to minimize inconvenience to students and parents; and provide a reasonable level of service. Saving support budget dollars provides more resources for classrooms.

When bus stops are scheduled at intersections, students should stand safely away from traffic, within 150 feet of the stop. *Parents are responsible for maintaining discipline and safety at bus stops.* Students waiting for buses may choose to stand in carports and garages for protection from the elements. This is acceptable only if: (1) it does not alter the route; (2) it does not increase the number of stops; (3) it is acceptable to all parties involved; and (4) it is reasonably close to the regular stop (so that a substitute bus operator, not familiar with special arrangements, may easily locate the students). Please note: bus operators are only authorized to stop at designated stops; do not request unauthorized stops. MCPS realizes substantial fuel and other operational savings by limiting the number of bus stops.

Students who wish to ride home on a friend's bus, or get off their own bus at a friend's stop must bring a note from their parent. Once approved and signed by the principal, the student should give this note to the operator of the bus they will be riding. This practice will normally be approved where space permits.

Inclement weather creates many hardships for all. It is not possible to provide additional transportation during winter months or on rainy days, and for this reason, students should dress accordingly. In case buses are not able to reach designated stops due to snow and ice accumulation, parents are encouraged to make advance arrangements with bus operators so that students who live in these areas can board at alternate locations when necessary.

Appropriate student behavior is important to the safety and comfort of everyone. Parents are encouraged to discuss behavior with their children regularly to reinforce this message. It is important that all students follow the rules stated in "*Ride by the Rules.*" campaign. For more information on this, please visit: <https://www.montgomeryschoolsmd.org/departments/transportation/rules/>. Student transportation can only operate effectively if we all do our part to make things work. Parental assistance and cooperation are needed to provide a safe transportation system for student riders.

Estimados Padres de Estudiantes en Escuela Media:

Adjunto enviamos los horarios de las rutas de autobuses que prestan servicios a la escuela de su hijo/a. Por favor apunte el horario, lugar, y número de ruta que le corresponde a su hijo/a. Los estudiantes deberán estar esperando en la parada, listos para subir al autobús cinco minutos antes del horario de llegada asignado. Los números de las rutas están expuestos en cada autobús, en la ventana del costado. Los estudiantes que viven a una distancia menor de 1.5 millas de la escuela no son elegibles para recibir servicios de transporte, a no ser que el camino a la escuela tenga algún inconveniente. Si tiene preguntas deberán ser referidas al supervisor/a de transporte responsable de prestar servicios a su escuela.

Ciertas paradas de autobuses anteriormente establecidas podrían haber sido eliminadas o relocalizadas para economizar en las operaciones. Se hacen todos los esfuerzos posibles por minimizar cualquier inconveniencia para los estudiantes y los padres, y ofrecer un nivel de servicio razonable. El ahorro en el presupuesto de servicios permite dedicar más recursos para la enseñanza.

Cuando las paradas de autobús están establecidas en intersecciones, los estudiantes deberán esperar al autobús a una distancia prudente del tráfico, y a menos de 150 pies de la intersección. *Los padres son responsables de mantener la disciplina y la seguridad en las paradas de autobús* Los estudiantes que estén esperando autobuses pueden optar por esperar bajo techo o garajes para protegerse de los elementos. Esto es aceptable únicamente si: (1) no altera la ruta; (2) no aumenta el número de paradas; (3) es aceptable para todas las partes involucradas; y (4) esta razonablemente cerca de la parada (de manera que un conductor/a suplente que desconozca acuerdos especiales pueda localizar fácilmente a los estudiantes). Tengase en cuenta que los conductores de autobús están autorizados a parar únicamente en paradas designadas, por favor no les pidan hacer paradas no autorizadas. Montgomery County Public Schools percibe ahorros sustanciales de combustible al limitar el número de paradas de los autobuses.

El tiempo inclemente ocasiona muchas dificultades para todos. No es posible proveer transporte adicional durante los meses de invierno o durante días lluviosos, y por esta razón, los estudiantes deberán vestirse apropiadamente. En caso de que los autobuses no puedan llegar a las paradas asignadas debido a acumulación de nieve y hielo, recomendamos a los padres que previamente se pongan de acuerdo con los conductores para tener una parada alternativa, cuando sea necesario.

La conducta apropiada de los estudiantes es importante para su seguridad y comodidad. Se recomienda a los padres que hablen del tema con sus hijos para acentuar el respeto a las normas de comportamiento. Es importante que todos los estudiantes sigan las reglas estipuladas en la campaña "Ride by the Rules" (*Guíese por las Reglas*). Para más información sobre esto, por favor visite: <http://www.montgomeryschoolsmd.org/departments/transportation/rules/>.

El transporte de estudiantes solamente puede funcionar eficazmente si todos hacemos lo que debemos para que funcionen las cosas. Se necesita la ayuda y cooperación de los padres/guardianes para ofrecer un sistema seguro para los estudiantes que usan el transporte escolar.

Atentamente,

Sinisha Pavlovich
