-

Distribution Process

1. Enter campus from Kinser Pike and pull up to the first tent located along Maroon Drive to receive your computer, equipment, and login information.
2. Pull up to the second tent along Maroon Drive to see if you have any textbooks for pick-up. Please note that not all students or classes will have textbooks at this time.
3. Proceed around the building along Maroon and Prow Road to the lower parking lot at the corner of Prow and Gold Drive. Park in the lot.
4. While in the lot, login to the school-issued device using the provided user name and password. Computer techs will be available to assist you if needed. You must login to the device while at North's campus for the device to work properly from home.
5. After you successfully login to the device, please exit campus via Prow Road.
