1. Election Day is Tuesday, November 3rd. There will be no school on this date.
2. Students in grades 3 and 6 are scheduled to begin the InView Assessment this week. Your child's classroom teacher sent parents specific dates last week. Currently, we are working across the district to address the InView and the ability for students to take it from home as it is "locked" when not accessed from an MCCSC school. As soon as this is worked out, we will be ready to move forward. Look for communication from your child's teacher.
3. This Friday, we will hold our annual Storybook Character Day. Students and staff are invited to dress up as their favorite storybook character. No masks, blood/gore, or weapons are allowed. Classroom teachers may communicate further information.
4. We have made the decision as a corporation that there will not be any fall parties this year. We know that this is a staple for many students as they grow, but our focus must remain on safety and instruction. Thank you for your understanding.
5. Last week, I shared about how Indiana weather can change on a dime and that it is a good idea to have students wear layers of clothing to school to be prepared. In addition to this, I wanted to remind everyone that we do go out to recess every chance we get as long as the temperature is above 20 degrees and it is not raining. Today, there was a light mist - we went outside. Make sure your children are prepared for going outside.

6. PTO is beginning a Wellness Committee, led by Dinorah Sapp. We welcome your ideas! This group would like to highlight our Food Service team, ways teachers use school gardens, resources for food allergies, and healthy eating habits. We are also thinking of including topics about physical and mental health. If you are interested, please let us know! You can sign up through this Google Form:
