6. Elementary Guide

1. We will hold our annual Open House on Thursday, August 29th. This will be a time for you to come in and meet with the teachers to learn more about what to expect throughout the school year. Grades 1-2 (5:30-6:15), Grades 3-4 (6:20-7:05), Grades 5-6 (7:10-7:55).
2. Thank you for a great first few days of school last week. As outlined in an email last week, parents are asked to allow their children to walk to class on their own each morning, starting today. There are plenty of staff members stationed throughout the building to help guide your children to class. The only exception to this is our preschool parents who must sign their child in each day at their classroom. Thank you for your understanding and cooperation.
3. Attention 6th grade families! If your child is interested in learning a band instrument the MCCSC has a Beginning Band program in place for our University Elementary students. The first step is for one parent and the student to attend the Instrument Selection Night on Wednesday, August 14th. Students get to try all of the various band instruments to find which ones they can play most easily, and what they like. Come to the Bloomington North bandroom between 5-8pm as this session will take 20-30 minutes. Questions: Contact adpage@mccsc.edu In case of conflicts, there will be another Instrument Selection Night on Monday, August 19th, same times but in the Bloomington South bandroom. Either night is fine for UES families.
4. UES Club information was sent home in an email on 8/7/19. Please reference this email with flyers from all of our club options with the exception of chess. You

can print these forms or pick up hard copies in the main office. All forms should be returned to the office. Please note, some clubs have limited space.

5. If you are a new parent at University School and would like to learn a little more about how our school operates and to get some questions answered, please join us at 6:00 on Tuesday for a New Parent Orientation. Following this, we will have our August PTO Meeting in the library.
