1. The last student day will be Wednesday, May 26th. Please plan accordingly.
2. Please look for an email from your child's teacher about the schedule that will be followed for keeping iPads at school each night as we end the school year. All students must return their iPads to school for the summer EXCEPT those that are participating in IN-PERSON summer school at Fairview Elementary. When returning iPads, you will need to make sure that your child returns the charging block and cable as well to avoid any fees.
3. Online learners will need to return their iPads, cables, and block to University School on May 27th or 28th between 9:30-11:30 in the front of University School. There will be a staff member present for you to drive up for drop off.
4. Our UES PTO will hold their final PTO meeting of the year on Tuesday at 6:00 PM. Please look for a separate email with the agenda and meeting link.
5. You can thank a teacher throughout May via the MCCSC Foundation!

6. Interested in being a part of projects that support the mental, physical and emotional well-being of students at University Elementary School? The UES PTO Wellness Committee welcomes your help. Please fill out this [Google form](#) and we'll keep you in the loop!
7. If you would like to order a yearbook, you can place your order online or return the envelope to the front office by May 12th. Yearbooks are \$15 each. Yearbooks will be delivered to the school just before the start of the 2021-2022 school year. We will distribute yearbooks when your children return to school. Students transitioning to Tri-North or another school - we will be sure to get your yearbook to you. <https://sheldonschoolpictures.com/product/yearbook/>
8. If your child is learning online this year, and you did not come in for school pictures, please email a picture of your child to Mr. Hopkins for our yearbook by May 13th. We are working to put the final touches on the yearbook and we want to make sure everyone is represented. Please include your child's first and last name, grade, and classroom teacher. ghopkins@mccsc.edu
9. MCCSC Virtual Summer Camp is an easy way for your child to stay sharp this summer from the comfort of your own home. This program is available to students currently in K through 8th grades. Students will use the Edmentum Products: Exact Path, MathSeeds, and/or Reading Eggs to complete reading and math activities. Students can work at their level and pace to fill gaps and enrich their learning. In addition, students can also work on grade level assignments to reinforce skills they have mastered throughout the year and prevent the summer skill slide. A schedule of the weekly assignments will be provided at the beginning of the summer. Your child can log on at any point throughout the week to complete these assignments or work on their personalized learning path in reading and/or math. [Register Here](#). Questions? Contact the MCCSC Curriculum and Instruction Department at 812-349-4798.
10. Please see the menu at the end of this newsletter for "Cook's Choice" as we wrap up the end of the school year.
11. Kindergarten Registration for the 2021-2022 school year is open! Please visit the [MCCSC website](#) for specific information about the registration process and the required documentation to complete the process. [Virtual Kindergarten Open House](#).
12. Get your UES t-shirt in the main office for \$10. All funds support our UES PTO.
