

June Newsletter

Dearest HomeLink Families,

Can you believe it is the end of the school year? I want to thank each and everyone one of you for being so incredibly wonderful to work with this school year as well as continuing to support our students at home.

I am excited to share that we will be returning to learning in person next school year. At this time, we do anticipate that our families will be able to return to school with our students. In regards to social distancing, we will continue to follow the district guidelines which, at this time, includes 3 ft social distancing in classrooms, 6 ft in social/common areas. In addition, at this time, masks are required for all families, students and staff. We will provide students with the opportunity to engage in mask breaks throughout the school day as needed.

Please do not hesitate to contact me if you have any questions pertaining to our students/families returning to campus for the 2021-2022 school year.

I look forward to seeing everyone in the Fall!

Respectfully,

Angela Menon

Associate Principal, HomeLink/OAR

8220 24th St SE, Lake Stevens, WA 98258

Fax: 425-397-7516

PLANNING FOR NEXT SCHOOL YEAR

As we plan for next school year, please contact Jen McPhee, Office Professional, about whether or not your student(s) will be returning to HomeLink next school year. We will also need all families returning to verify student(s) contact information in Skyward as well. If there has been any changes to your student(s) contact information, please contact [Jen McPhee](#) so we can update your information. Enrollment information can be found on our [website](#).

JUNE 1ST- 4TH: ONLINE PRE-REGISTRATION

Starting June 1st, families will have the opportunity to pre-register for courses for next school year. The pre-registration window is from June 1st at 9:30 AM to June 4th at 3:00 PM.

Current K-7th grade families will receive an email with access to register on the 1st.

Please continue to be mindful around the number of classes students are interested in taking, as we want to continue to support our enrollment and stray from having students drop classes throughout the year. As a friendly reminder, all classes are year long and students will not be able to drop classes after the first 10 days of school.

MATERIALS RETURN WEEK: JUNE 7TH-15TH

As we end the school year, please plan on returning any materials, including books, that need to come back to us between June 7th-15th 10:00 AM-1:00 PM. All families are required to return their Chromebooks. We will reissue Chromebooks to students at the beginning of next school year.

END OF YEAR ADVISOR MEETINGS: JUNE 9TH-15TH

Just a friendly reminder that your student(s) Advisor will be reaching out to you to schedule an end of year Advisory meeting. During this time, you and your student(s) will have the chance to review course selection for next year, ask any questions you may have, gain an understanding of HomeLink's responsibilities as well as parent/student responsibilities and more. Please contact your student(s) advisor if you have any questions.

REMINDERS

June 9th: Last Day of HomeLink Classes

June 16th: LSSD Last Day of School

September 7th: First day of school at HomeLink for the 2021-2022 School Year
