3. There are only 16 days of school left! Be sure to stay up to date on what is happening by checking your email from your child's teacher and the school, as well as social media. A lot is going to transpire in the next few weeks. It's going to be over before we know it!
4. This week is Teacher Appreciation Week. Our UES PTO is posting a little activity each day/night on their social media accounts with ideas for you to tell your child's teacher how much you appreciate them. You can also thank a teacher via the MCCSC Foundation!

8. MCCSC Virtual Summer Camp is an easy way for your child to stay sharp this summer from the comfort of your own home. This program is available to students currently in K through 8th grades. Students will use the Edmentum Products: Exact Path, MathSeeds, and/or Reading Eggs to complete reading and math activities. Students can work at their level and pace to fill gaps and enrich their learning. In addition, students can also work on grade level assignments to reinforce skills they have mastered throughout the year and prevent the summer skill slide. A schedule of the weekly assignments will be provided at the beginning of the summer. Your child can log on at any point throughout the week to complete these assignments or work on their personalized learning path in reading and/or math. [Register Here](#). Questions? Contact the MCCSC Curriculum and Instruction Department at 812-349-4798.
