SABER SPOTLIGHT

VICTORY ON THE COURT

Special Olympics is built on the belief that everyone deserves opportunities to shine, feel valued, and be included. Being a Unified Sports school is about more than just the final score; it's about the community we build every time we step onto the court. Congratulations to all our players for representing South with such pride and excellence!

Competing in two different divisions, our athletes showed unmatched teamwork and spirit. The highlights of the tournament included:

- Division B Dominance: Our Division B team fought their way to the championship game, winning their division title!
- A Historic Milestone: After a hard-fought final, the team secured 2nd place overall, bringing home our school's very first championship.
- True Inclusion: By playing side-by-side, our students proved that when we play together, we win together.

We held a Medal Ceremony during lunch today. It was a joy to see the entire school come together to celebrate the dedication and sportsmanship of our athletes.
