Chisholm Trail's Fund Supporting Our Students & Staff

The Wildcat Fund, Chisholm Trail's fund supporting our students, student programs and staff, was founded with the primary objective of providing resources from the parents and community to assist with programs and needs for our students and staff.

Our Goals

While fully funding our student's needs and programs is the primary objective, the Wildcat Fund also is committed to one of the school's core goals: providing a World-Class Educational Experience. By providing the necessary resources in academic support services, field trips, technology, celebrations, award ceremonies, school supplies, and classroom needs for our students, we will continue to meet the needs of our Wildcat Educational Community. In addition, the Wildcat Fund supports our staff with necessary resources to enhance their classroom and instructional practices. Funds also provide tokens of appreciation for staff at various events including Parent-Teacher Conferences and Teacher Appreciation events.

2016-2017 WILDCAT FUND GOALS

- **Support:** Reach budgeted annual goal of \$10,500.
- **Participation:** 100% parent/family participation.
- **Needs:** Support all needs of our student and staff.
- **Service:** Meet the academic, social, emotional, physical needs of our students. Support and appreciate staff.

Why We Need Your Help

While individual programs will still have fundraisers to support their specific curricular needs, The Wildcat Fund will **replace all school-wide** fundraisers (Entertainment App, Mulch in 2015) and **all requests** for donations for food/drink at parent-teacher conferences and Teacher Appreciation events. Your donation will go for many of the items listed below for the 2016-2017 school year:
