1. MCCSC is partnering with IU Health once again this year to provide a flu clinic. University School will host this clinic on October 8th. Paperwork, which was emailed out on September 10th is due September 25th. You can send the paperwork in with your child to be delivered to the health office. Hard copies were prepared today and placed in teacher mailboxes for distribution. If your child did not bring it home today, look for it tomorrow. Online students will be able to get their shots as well. Online families, please turn your paperwork in to the front office via the drop off table in the entryway. In-person families, you can send it back to school with your child and the teacher will get it to the health aide.
 2. Grades 3-6 students will be given one of two assessments prior to October 14th: Exact Path OR NWEA. NWEA will be given to ALPS students along with students that qualified based on CogAT or InView scores from previous years. All other students will take Exact Path. The state of Indiana requires that all students take two (2) assessments during the year to measure growth. We will give our second round of Exact Path/NWEA in January. Please look for additional information from your child's teacher for specific dates/times that they plan to administer the Exact Path or NWEA. Students learning online will be given directions so they may take the assessment at home.
 3. We will begin car/walker arrival at 8:30 AM and will begin dismissal at 3:30 PM starting this week. Today went great. Thank you!
 4. Did you know that our UES PTO collects points from BoxTops and we collect the tabs from Pizza X boxes! If you have any BoxTops or Pizza X boxes, cut them

out and send them to school in a sandwich bag. They can be dropped off in the office for the PTO to pick up. BoxTops are worth 10 cents each (normally) and Pizza X tabs are worth 25 cents each!
