Event- Navigating the Resolution and Compliance Unit- How RACU Works with the Community

Stephanie Frumkin- MCCPTA Special Education Committee Chair

This is the recording of the presentation and discussion for the MCCPTA Special Education Committee's fourth quarterly speaker event with the Resolution and Compliance Unit in the MCPS Department of Special Education. RACU supervisor, Diana Wyles is featured, and she presents a lot of helpful information.

I think this is a very valuable presentation as many families are unsure what to do and who to contact when there is a disagreement with their IEP team.

Below, I am also including some good resources for parents related to special education and families' rights that were discussed in the presentation.
