### CBSD Halloween Update - 2020-2021

October 2020

Dear Butler Families,

With our return to school the Week of October 26<sup>th</sup> for our Traditional and Hybrid 1&2 students, Butler wanted to be sure to provide details in anticipation for Halloween later that week. With the circumstances surrounding COVID-19 and CB's firm Health & Safety Guidelines in place for all schools, our annual Halloween Celebrations will look differently this year. All CBSD schools are collectively cancelling the school-day Halloween "parades and parties", but each school will instead celebrate in alternate ways coordinating with our respective PTO organizations.

We are excited to detail our alternate school & at-home activities for the Butler community culminating in a school-wide Halloween Slideshow – where we will invite parents and staff to upload photographs from all the varied activities. Each activity is voluntary or optional, but we hope participation in these events will highlight our efforts in celebrating Halloween. The goal is to create family-fun opportunities while connecting as a school community! Please take a moment to familiarize yourself with our plans:

1. **Decorate a Halloween Pumpkin:** Be creative and show your skill! Carve or decorate a pumpkin at your house and put it on display outdoors for everyone to enjoy!
2. **Build a Scarecrow:** Create a Traditional-, Halloween- or Original-Themed Scarecrow (Butler, Sport, Super-Hero, Gaming, Halloween, etc.) to decorate your yard and our community! Use it to help celebrate this eerie season in anticipation of all our trick-or-treating ghosts and goblins!
3. **"Boo" a Butler Neighbor:** Enjoy some spooky treats and pass along the fun to two new unsuspecting neighbors. Don't get caught" and include two treats plus instructions as detailed by the PTO communication from their most recent Newsletter!
4. **Costumes on Halloween Night:** We are hoping to keep the tradition of our annual Halloween Celebration by highlighting Butler Bear students dressed in their Halloween costumes. Share a photograph of your child(ren) on Halloween Night – in anticipation of Trick-or-Treating!

Simply click on the following [FORMS Link](#) and follow the prompts to upload your pictures to the school by Sunday, November 1<sup>st</sup> – **Must be sent through your child's CB email address!**

In-School activities will include an all-school event held within each individual in-person or virtual classroom.

**All-School Spirit Day – In lieu of costumes on Friday, October 30<sup>th</sup>, Butler Elementary will host an All-School Spirit Day where students and staff are asked to wear Halloween-Themed Colors!**

**Butler Elementary wishes everyone an EXCITING and SAFE HALLOWEEN Night!**

# BUTLER ELEMENTARY 2020 HALLOWEEN

GET CREATIVE THIS HALLOWEEN WITH  
OUR VIRTUAL AT-HOME ACTIVITIES
