3. Election Day Tuesday - No School
4. May Newsletter
5. Next Year's Plans
6. Kindergarten Registration is Open

1. University's Learning Festival is this Friday from 5:30-8:00 PM. Please join us for this special event as we celebrate the hard work your children have engaged in during the school year. The PTO encourages everyone to bring cash if possible for the evening as the lines will move much quicker. We do accept card payments as well. Please reference the information sheet sent home with your child last week for additional information.
2. Our University Yearbooks came in this past Friday and are ready to purchase! These will be sold on a first come, first served basis in the office. 6th grade students will be selling them first thing each morning to help with AM traffic. One yearbook is \$16. If you order multiple copies, they are \$15 each. Please have your child write their name on the inside cover of the yearbook. We are aware that there are some spelling errors with names and on the cover as well as an error in the Strings group photo. The publisher has apologized for this error. At this stage in the year, we are not able to request new yearbooks in a timely manner. Sorry for any inconvenience this may cause.
3. Tomorrow, Tuesday, May 9th, is Election Day. There is NO school for students. Please plan accordingly.
4. The May Newsletter is being sent out in a separate email today. Please look for it in addition to this Monday Minute.
5. Please send your intentions for next year back to school ASAP as we begin to plan for next year. Your letting us know if you will be returning to University or if you are moving helps us immensely. Also, if you are at University on a transfer,

please return those requests as well so we can use those in the planning process also. Please note the expectations on the second page of the transfer request. Transfers will be sent to the home school as that is where the process begins.

6. Kindergarten Registration open! Please ensure that you have the appropriate paperwork before coming to school. Learn more at www.mccsc.edu/kreg
