1. It's hard to believe, but May is just two days away! There is so much going on at University as we prepare to wrap things up on the school year. Be sure to stay up to date with everything via the newsletter, Monday Minutes, website, random emails, and teacher communications. May is going to go so quickly!
2. ILEARN is taking place this week for students in grades 3 and 4. Please make sure your children get a good night's rest, eat a good breakfast, and arrive at school on time each day for testing. Students arriving late will have to wait in the office and will be tested in the afternoons during our make up window, which is not ideal. Any 5th or 6th grade students that were absent last week will be making up tests this week. Please let us know if you have any questions.
3. Mark your calendars for the annual UES Learning Festival on Friday, May 10th. PTO sent home a goldenrod paper out a couple weeks ago with some information about this wonderful event. Additional information will come home as the PTO plans further.
4. The MCCSC Family Fun Run will be held on Saturday, May 4th at 9:00 AM (Registration at 8:15) at Grandview Elementary. [Register Here.](#)
5. April 29th-May 3rd is Teacher Appreciation Week at University School! The PTO has some great things planned for our teachers. It would be wonderful if you and your child were able to come up with a small way to say, "Thanks," for the work

they do. Sometimes a simple smile is just enough! (Although I'm sure plenty like coffee and chocolate as well.)

6. This week, we have a few field trips scheduled. Tuesday: 6th Grade to BizTown, Wednesday: Harpring and Kopp to Honey Creek, Friday: Cowden to Honey Creek.
7. Please send your intentions for next year back to school ASAP as we begin to plan for next year. Your letting us know if you will be returning to University or if you are moving helps us immensely. Also, if you are at University on a transfer, please return those requests as well so we can use those in the planning process also. Please note the expectations on the second page of the transfer request. Transfers will be sent to the home school as that is where the process begins.
8. Kindergarten Registration open! Please ensure that you have the appropriate paperwork before coming to school. Learn more at [www.mccsc.edu/kreg](http://www.mccsc.edu/kreg)
