## Human Geography

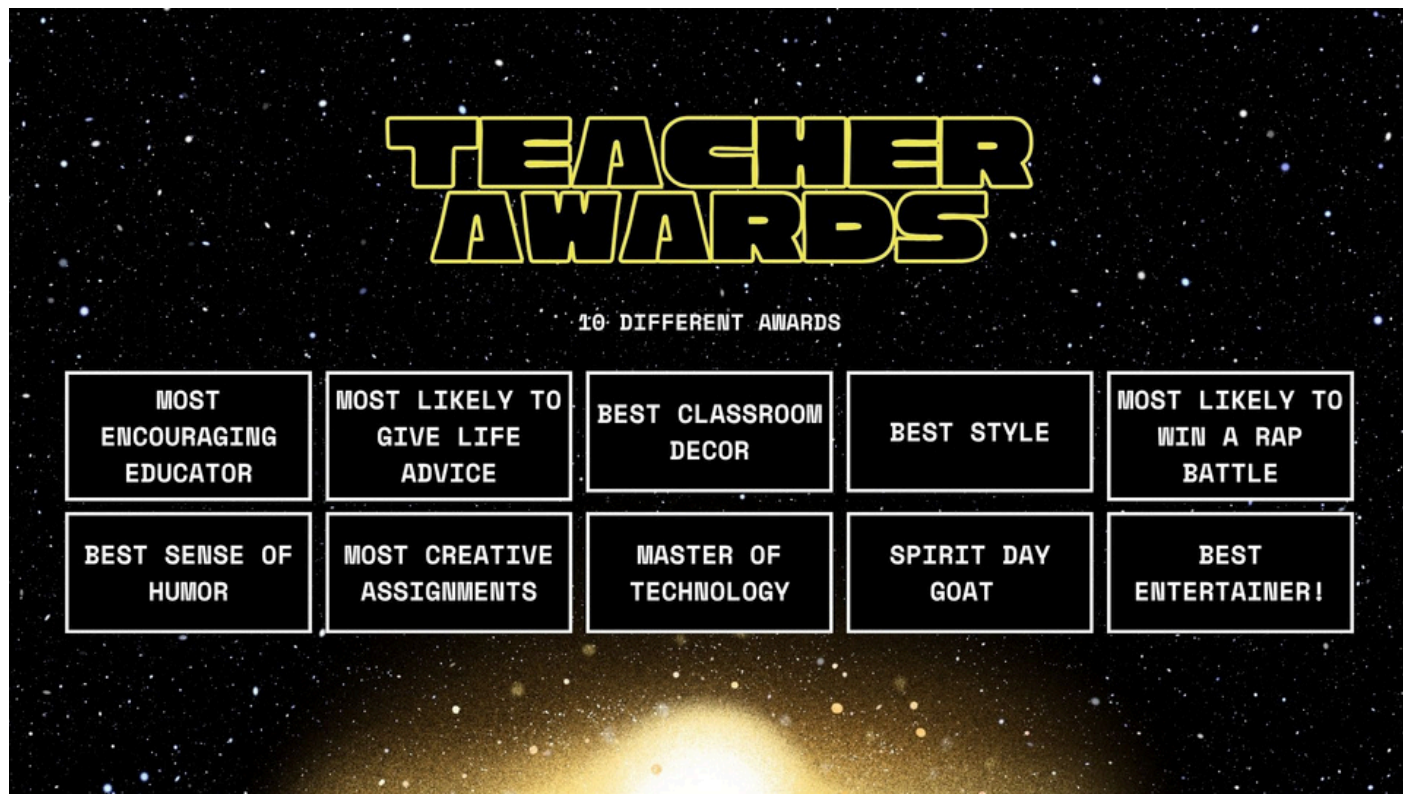

We are so proud of our students! May 5<sup>th</sup>, our AP Human Geography students took to the third floor to complete their AP exam. This is a culmination of learning for the entire year. While testing was happening on the third floor, our Geography classes were participating in a PBL called Caine's Arcade. This PBL focuses on teamwork skills like collaboration, job specialization, attention to detail, and creativity. Students took over the student union to create games out of cardboard. After lunch, all students had the opportunity to play games and then cast their vote for the best game.

# STUDENT DRIVERS

A teenage right of passage, the learner's permit, and the driver's license. We love seeing our students grow and develop new skills. We would like to take a moment to remind everyone of the traffic flow for pickup and drop-off. Additionally, it is illegal to make a U-turn in a school zone (that includes the school parking lot). Please keep the safety of students and staff in mind by controlling your speed, being aware of pedestrians, and of vehicles that are parking.

Students who need a DMV 301 - Certificate of Attendance form completed should fill out the request form on <https://southcta.ccsd.net/parents/forms>. Please allow 48 hours for the form to be completed. The form is valid for 60 days. If you will need the form in June or July, we recommend requesting it by May 15th so students can pick it up before leaving for summer break.
