# Together We SOAR!

## 2020-2021 Dollars for Doyle Campaign

### Why have a campaign like this?

The Doyle Home & School Association meets a critical need by providing assistance with the funding for programs, initiatives, and supplies that enhance the learning opportunities for all students.

**Dollars for Doyle is the largest single contributor to DHSAs budget, providing 44% of the total funds, which need to be replenished each year.**

Every family who contributes will have an eagle with their family name posted on our Dollars for Doyle display in the school.

If you would like to remain anonymous, please email [doylehsa@gmail.com](mailto:doylehsa@gmail.com).

### Where Do the Dollars Go?

**Projected DHSAs Expenditure Per Student This School Year: \$42**

We realize every family has different resources and obligations and so we hope you will contribute what is comfortable for you. Let's work together to meet the needs of our school and reach a goal \$7,500 contributed through Dollars for Doyle this year.
