Assistant Principal

July 10, 2023

Dear South Elementary School Community,

It is a pleasure to introduce myself as the new assistant principal of South Elementary School and to join this wonderful community. I hope that this note finds you enjoying the relaxing days of summer!

I have been dedicated to the field of education for over ten years. I began my career as a special education teacher, working with students ranging in age from early intervention through 5th grade in both private and public school settings. As a leader, it is my goal to help every child attain the highest quality of education. I believe that the best way to accomplish this goal is by embracing and understanding the uniqueness of each student, family, and staff member I have an opportunity to work with.

I am excited to meet all of you and I look forward to celebrating our collective successes in the 2023-2024 school year.

Sincerely,
Olivia Goodrich
