

Dear Families & Friends:

That festive time of year is almost upon us. What better way to brighten your holidays than with a gorgeous poinsettia plant? We are selling poinsettias to raise money to buy instruments and other musical materials for our school.

The plants will be delivered from Humphreys Floral to Fort Atkinson high school the day of the concert. At the conclusion of the concert, simply come down to the front of the stage, find the plant(s) with your child's name on it, take home, and enjoy!

If you have any questions, contact Amanda Hein:

heina@fortschools.org
