Dear 2018-2019 LTMS Families,

As the school year is quickly coming to a close, please visit your child's TxConnect account to verify the classes they requested for next school year. In order to see your child's requested courses for next year, please follow the steps below.

Go to: <https://itccs.gb.esc13.net/LTSTU/ZONE.aspx>

Enter the following information:

*student's ID number

*student's birthday in this format (--/--/----

*last four digits of student's (not parent's) social security number

txMyZone
Version 2.3.5.0 Help

LOGIN

Student ID:

(Example: 123456)

Birth Date:

(Example: 11/11/2000)

Social Security Number:

(Last 4 digits only)

If entered correctly, a similar screen to this will be provided (please see below):

The screenshot shows the iXMyzone student portal interface. At the top, it displays '7th Grade', 'LAKE TRAVIS MIDDLE SCHOOL', and 'Team 1'. A 'UNITS REMAINING' counter shows '0'. Navigation links for 'Logout', 'Campus Message', and 'Help' are visible. The page is titled 'Requested Courses' and includes a 'Print' button. Below this is a table of requested courses, followed by an 'Alternate Courses' section with another table.

Due to the volume of students enrolled; requests for elective changes are not possible.

However, if a core class (ELA/Math/History/Science) needs to be changed, please email (instead of calling) the registrar, Susan Jones at joness@ltsidschools.org.

Please understand that this is NOT your child’s final schedule. Final schedules will be given out in August at Round-Up. This is merely a list of the classes your child requested. Final schedules are driven by student enrollment numbers, course availability and the master schedule to best serve all students as equitably as possible

Thank you and have a great weekend!
