This is a computer adaptive tests consisting of a variety of questions that give our teachers specific information to help target instruction in the classroom. There will be a family report sent home to keep you in the loop on how your child(ren) are performing. Students will take NWEA in the Fall (this week), Winter, and Spring.
3. We will hold our first PTO Meeting of the year on Tuesday, August 16th, beginning at 6:30pm. We will return to in-person meetings in the library, but there will be an online option as well via Zoom:

Dine in or carry out (be sure to order take out directly from Buccetos) will both support UES. Message Hopi Stosberg at hopi@stosberg.com with any questions.

5. Please consider helping clear out our overgrown courtyard garden, the Turtle Garden, this Thursday! The garden is going to be refurbished, but we could really use your help to get that process going this Thursday, August 18 after school until 5:30. Anyone interested should please bring their own garden gloves! We have limited spots, so please sign up with this link to assure a spot.
