1. In the fall of 2022, University School will be evaluated by the International Baccalaureate for continued authorization. We seek your input as we prepare for this visit. Please take a few moments to complete this short inquiry form to help us prepare. Thank you for your feedback as we continue to reach toward our goal as an inquiring, reflective, caring, and inclusive community of learners. DUE BY APRIL 3.
2. On Monday, April 4th, we plan to have our traditional lunch tables return to the cafeteria. Mr. Hopkins has met with the staff to plan for this transition and will talk with the students during lunch this week so they are prepared. There will be a space available for students to eat their lunch, socially distanced, if they would like to continue this practice.
3. The state of Indiana requires all students in grades 3-6 to take the ILEARN Assessment each Spring. The window for this assessment opens on April 18th. Please look for a letter to come home on Friday, April 1st with additional information, including the tentative testing schedule for your child(ren).
4. The Learning Festival is back! This is an end of the year celebration where student work is on display around the school and the PTO organizes a wide variety of activities for families to engage in. Mark your calendars for Friday, May 13th from 5:30-8:00 for this spectacular event. You should have already received
a letter about the silent auction where each classroom sponsors a basket. Additional information will be sent out from the PTO as the date approaches. We are so excited to bring back this evening of learning and fun!

5. Art to Remember orders are being sent home with your children this week. This is a great opportunity to get a keepsake from the year. Orders are due by April 8th and can be placed online at www.arttoremember.com.

6. All students MUST have an Emergency Medical Form (EMA) on file in the Health Office in order to attend field trips. Forms should have been sent home with your children if they are missing. Please look for this and return it to school ASAP.

7. 4th, 5th, and 6th grade have different field trips coming up in the next couple weeks that your classroom teachers should be communicating with you. 5th grade has scheduled trips to the IU Law School on various dates for their mock trial, 6th grade is going to Leonard Springs on April 5th, and 4th grade is going to Lake Griffey on April 7th. Again, please make sure your EMA is completed in order for your child to attend. IN addition, look for specific information from your child’s teacher about times, lunches, dress, etc.

8. Kindergarten Registration is open to all students that will be five (5) years old by August 1, 2022. You will need a copy of your child’s birth certificate, proof of residency (ex. Electric bill), and immunization records. Please visit https://www.mccsc.edu/kreg for additional information.

9. Thursday is the LAST DAY to order your yearbook for this year. To order online, go to www.OrderYourYearbook.com and enter in the school access code which is 16632 We will NOT be ordering a bunch of extra yearbooks this year, so if you want one, you need to order! Orders due by March 31st.
