The virtual school day

- The school day will look much like a regular school day, except students will complete work with their teachers from home on their Chromebook. **School starts August 24th!**
- Students should login for instruction Monday-Friday, from 8:50 a.m.-3:50 p.m.
- Students will meet their teacher each day for “live” lessons using Google Meets.
- Students will engage in small group, one-on-one, whole group, and independent activities. There will even be breaks, lunch, and specials classes!
- Teachers will post lesson plans and Google Links weekly to their Google Site, Google Classroom, and Google Calendar.
Attendance is critical to your child’s success!

Teachers will take attendance in SISK-12 during each subject to make sure your child is logged in and ready to participate.

If your child is not in session, a staff member will contact you to see how we can help with your child’s attendance.
