2. 6th Grade Beginning Band
3. 5th and 6th Grade Strings
4. Vote for the "STEM to Them" Bus!
5. UES Clubs
6. Classroom Parties
7. Elementary Guide

1. We will hold our annual Open House on Thursday, August 29th. This will be a time for you to come in and meet with the teachers to learn more about what to expect throughout the school year. Grades 1-2 (5:30-6:15), Grades 3-4 (6:20-7:05), Grades 5-6 (7:10-7:55).
2. Attention 6th grade families! If your child is interested in learning a band instrument the MCCSC has a Beginning Band program in place for our University Elementary students. Students get to try all of the various band instruments to find which ones they can play most easily, and what they like. Questions: Contact adpage@mccsc.edu The final Instrument Selection Night is tonight, Monday, August 19th, between 5:00-8:00 in the Bloomington South bandroom.
3. If your 5th or 6th grade child is interested in playing strings, fill out the form that was sent home with them tonight and return it to school. The form has information about instrument selection and practice dates/times.
4. Be sure to vote for MCCSC's "STEM to Them" bus daily! For additional information, please see the separate email that was sent out earlier today (8/19/19). **Please vote from August 14th to August 23rd. You can vote up to 10 times a day.** Click [here](#) to vote.
5. UES Club information was sent home in an email on 8/7/19. Please reference this email with flyers from all of our club options with the exception of chess. You can print these forms or pick up hard copies in the main office. All forms should be returned to the office. Please note, some clubs have limited space. Some clubs, like Yoga, start this week, so be sure to sign up ASAP.

6. Please pay special attention to communication from your classroom teacher(s) regarding classroom parties. Some classes may celebrate birthdays while others prefer to have one collective event at some point in the year. Also, we have a variety of health needs that must be followed for the safety of our children and staff. If you respect your teacher's wishes, we will have a successful year of celebrations! Regardless of the classroom, I ask that any drinks that are sent in are clear liquids so that we don't stain our floors. If you have questions about classroom celebrations, please talk with your classroom teacher(s).
7. Take a few minutes to check out of [MCCSC Elementary Guide by visiting this link](#). There are multiple photos of University students throughout the guide!
