

University Elementary
Monday Minute - August 24, 2020

1. CANVAS App v. MCCSC Website
2. Living Through History
3. UES Family Directory - OPTIONAL
4. MCCSC Board Meeting Tuesday
5. UES Online Shirts Order - 7 Days Left
6. Online Troubleshooting
7. Follow UES on Social Media!

1. We have found that the CANVAS App is not as reliable as going through the link on the MCCSC website. Visit www.mccsc.edu and click on the CANVAS logo at the top of the homepage to access content.
2. University School is engaged in our first International Baccalaureate unit of study to kick the year off, "Living Through History." The conversations and work your children are doing is great! The information flyer is once again attached to this email. Check it out!
3. At our PTO Meeting last week, some families expressed interest in getting the family directory out sooner than later as our children are working from home and are needing some social interaction. This directory is organized by the PTO each year and is OPTIONAL to participate in. [If you would like for your child to be included in this directory for the purpose of connecting with other students, please fill out this form.](#) We are using the parent/guardian email as the only mode of communication. Additional information is in the Google Form.
4. MCCSC will host their August Board Meeting tomorrow night, Tuesday, beginning at 6:00. [You can view the meeting via this link.](#)
5. This is the last week to order your UES shirts online via the PTO. [You can place your order using this link.](#)
6. If you are experiencing trouble with tech, please try these three steps to help remedy the situation. Be sure to keep your child's teacher in the loop as well!

- a. The MCCSC Student FAQ page found here: <https://www.mccsc.edu/Page/4901>.
 - b. If this doesn't resolve the issue the next step is to try the MCCSC Help Desk by phone 812-349-4758 or by emailing accounts@mccsc.edu.
 - c. If either of the first two options don't work, call the school (812-330-7753) and we can submit a help ticket on your behalf where a member of our tech support team here at University School will get with you ASAP.
7. We use Facebook and Twitter, along with email and automated phone calls, to communicate with families. You can find our contact information in the logos below.
