11/18/20

Dear Families and Faculty,

Early this morning we learned that 4 members of the Ridgefield High School community have tested positive for COVID-19. These cases have a known connection. These individuals were in the RHS building and infectious on Thursday, November, 12.

I have conferred with Town of Ridgefield Health Department Director Ed Briggs and RPS Medical Advisor Dr. James Ahern about this case and contact tracing is in process. **RHS will be remote learning today for faculty and students for the purpose of contact tracing.**

Please wear a mask, wash your hands, and keep your distance.

In partnership,

Aaron
