# DMS ROBOTICS TEAM

## What is the Robotics Team?

- The Drake Middle School Robotics Team is for students who are interested in collaborating with others while using VEX IQ Kits to build, design, and operate robots to accomplish tasks & compete in VEX IQ Competitions.

## If selected to be a member, students must:

- consistently attend team meetings, events, & competitions
- maintain passing grades/good behavior in the classroom
- work collaboratively & respectfully with team members to accomplish the team goal.
- use care when using DMS robotics equipment
- Pay robotics fee to cover competition fees/costs associated with travel

## Qualifications:

- Ability to work with a team to solve problems.
- Regular Meeting Attendance.
- Ability to think critically.
- Active participation during meetings.
- Good communication skills.
- Interest in hands on activities.

Thank you for your interest in the DMS Robotics Team!
