SCHOOL PORTRAIT PHOTOGRAPHY

Dear Parents and Class of 2022:

We at Victor O'Neill Studios, your school's official school photographer, are excited to see you on the following date(s) for your senior portraits **at the school**:

June 23 & 24

Please sign up for your session time here:

Senior pictures are considered formal photography. Please dress for a more formal event rather than in casual attire. Consider collared shirts, long sleeves, solid colors, and shoulders covered. Senior yearbook photos are very different from cellphone selfies. This is an opportunity to dress for success. Your photo will be part of Rockville's history in our yearbook. There is no charge to have the photos taken for the yearbook. Additional poses with casual clothes, photographer-provided tuxes/drapes, and the cap and gown will be offered as well. If you wish to use the photographer-provided tuxes/drapes or cap/gown please note: this will be shared clothing and you must bring this signed [waiver](#) with you to the shoot.

We will have the following modifications in place to ensure a safe environment for students and our staff:

- Only the student being photographed will be permitted in the building during the session.
- We will have signage in place to encourage social distancing.
- Photographers will not come within physical contact of any student and will stay behind the camera.
- Photographers and assistants will be wearing masks at all times.
- All of our staff will have their temperature checked before reporting to work each day.
- Anyone entering the room where portraits are taking place will have their temperature checked.
- Any shared clothing will be sanitized using UV-C lights between students.
- Masks must be worn by anyone entering the building, only to be removed immediately prior to having portraits taken.
- Props will be sanitized between uses.

We appreciate your cooperation with the following recommendations:
