1. E-Learning Days
2. 2-Hour Delays
3. Kindergarten Registration Opens February 1st
4. Kindergarten Open House February 15th
5. 6th Grade High Ability ID Process
6. Classroom and School-Wide Spelling Bee (Grades 3-6)
7. MCCSC Job Fair: February 9th
8. UES Spanish Conversations Club begins February 9th
9. Yearbook Orders due March 31st
10. UES January Breakfast/Lunch Menu

1. In the event of inclement weather, there may arise a need for a 2-hour delay. This could be due to fog, slick roads or low temperatures in the morning, etc. If we were to have a delay, MCCSC would send an automated call. Mr. Hopkins would put this information on Facebook and Twitter. School would begin at 11:00. Lunch would still be served at school.

2. In the event of inclement weather, there may arise a need for school to be “closed.” If we do not physically have school, we would have an e-learning day. This would most likely be due to an abundance of snow or the roads not being safe to travel on. On an e-learning day, all students will still participate in school via Microsoft Teams and Canvas. Your child’s teacher has been using Canvas all year, so this should not be new to your child. Students will be expected to log on to Microsoft Teams, following the schedule outlined on their Canvas page, with their classmates. Again, teachers will communicate this schedule with you if they have not done so already. In addition to these live meetings, your child will be responsible for turning in assignments during e-learning days.

3. Kindergarten Registration will open on Tuesday, February 1st. Registration is open to all students that will be five (5) years old by August 1, 2022. You will need a copy of your child’s birth certificate, proof of residency (ex. Electric bill), and immunization records.
4. We will host our Kindergarten Open House on Tuesday, February 15th from 6:00-7:00. Additional information may be found on our [MCCSC webpage](https://www.mccsc.edu/university). A flier is also posted in the front entry of the school.

5. The High Ability identification process for middle school has begun. An email was sent to all 6th grade families earlier today. Please see the attached link to access specific information about the process. The identification process for our younger students (elementary ALPS) will take place later in the semester.

6. Classroom Spelling Bees (Grades 3-6) are in progress! Classroom winners will move on to the school-wide spelling bee. Due to a scheduling conflict, we are moving the spelling bee to Friday, February 11th at 9:15. The families of classroom winners are invited to attend, socially distanced, in the cafeteria. Siblings will remain in their classrooms. Your child’s teacher should be in contact with you about the classroom process.

7. MCCSC will host an employment fair at the Monroe County Convention Center for support staff positions from 10:00-3:00 and 4:00-6:00 for teaching positions. Please visit the [MCCSC webpage](https://www.mccsc.edu/university) and click on the link in the scrolling banner for additional information. Currently, we have four open positions at UES that we would love to have filled! 1-on-1 Assistant, Preventionist, Special Education Paraprofessional, and Community-Based Paraprofessional. Call Mr. Hopkins to discuss these great opportunities!

8. If you registered your child for the Spanish Conversations Club, it will begin on Wednesday, February 9th. The club will run from 4:00-4:45. Please pick your child(ren) up in the north parking lot where car riders are located.

9. It’s that time of year to order your University School Yearbook! To order online they will go to [www.OrderYourYearbook.com](http://www.OrderYourYearbook.com) and enter in the school access code which is **16632**. A hard copy of the order form should come home with your child this week. We will NOT be ordering a bunch of extra yearbooks this year, so if you want one, you need to order one!

10. **January Breakfast & Lunch Menu.** (Scroll down for the menu once you click. We are in Group B.)
