1. The 4th Grade Makers Challenge Showcase will be held at Bloomington South High School beginning at 6:00 PM. The four (4) overall winners from University School will be recognized during the event. Congratulations to all of our 4th graders on their hard work.
2. As we are all aware, there has been an uptick in positive Covid cases in Bloomington. University School is not immune to this. We continue to monitor our safety procedures to help keep our students and staff safe. The MCCSC Call Center is processing cases from 14 elementaries, 3 middle schools, and 3 high schools. Needless to say, they have their hands full! When Mr. Hopkins gets notification from the Call Center about a positive case, he continues the practice of sending a classroom letter to families. If you have any questions, please contact the school. You may [review MCCS Covid Protocols at this address](#). Scroll down to “Covid Screening and Return.”
