

A big part of Spirit Week at ERMS is the spirit of giving. Forty percent of the grade level points are earned through our FUNdraising opportunities. There are three ways to support our grade-level charities.

- One, purchase a bandana of the grade level color which can be worn on color day, Thursday, March 16. Bandanas are \$5 each, (\$3.50 of each bandana sold goes directly to the grade level charity.) Bandanas are available for purchase at lunches and before school from the school store.
- The second way of supporting our charities is “loose change lunches.” Students may make donations to a donation jar that is in the cafeteria during the grade level lunch. Those funds will be combined with the bandana funds for an overall monetary contribution.
- The third way of donating is by bringing in an item from the organization's wish list. See the wish lists below for each grade level's charity.

Once again thank you for supporting us in our spirit week activities.
