Free Breakfast & Lunch for
All Camp Creek Middle School Students in School Year 2019-2020

Dear Parent or Guardian:

Great news for you and your children enrolled at Camp Creek Middle School! All students enrolled at Camp Creek Middle School can get a healthy school breakfast and school lunch at Camp Creek Middle School for FREE in the 2019-2020 school year.

Camp Creek Middle School is getting free meals for all students as part of the National School Lunch Program and School Breakfast Program through a choice for schools called the Community Eligibility Provision (CEP).

What does this mean for you?

- You do not have to fill out any meal application forms for your children attending Camp Creek Middle School.
- You do not have to pay any money for your child’s school breakfast or school lunch.
- If you want your child to buy extra portions or snacks from the school café, you must send money or place money on your child’s meal account.

If you have any questions, please contact the Fulton County School Nutrition Program at 470-254-8960.
